

On Tuesday, June 26, at 2:00 p.m., the Subcommittee on Information Policy, Census, and National Archives held a hearing to examine issues relating to the Local Update of Census Addresses (LUCA) program. Specifically, the Subcommittee discussed ways to increase local government participation in the program.

Video of the hearing:

The following witnesses testified:

Panel One

- **The Honorable Charles Louis Kincannon**, Director, U.S. Census Bureau
- **Mathew J. Scire**, Director, Strategic Issues, United States Government Accountability Office

Panel Two

- **Representative TBD**, State of Louisiana or City of New Orleans, LA
- **The Honorable Heather Hudson**, Vice President, National Conference of Black Mayors; Mayor, Greenville, MS
- **Keith Hite**, President, National Association of Towns and Townships; Executive Director, Pennsylvania State Association of Township Supervisors
- **Bob Coats**, Governor's Census Liaison, Office of State Budget and Management, State of North Carolina
- **Mary Heim**, Chief, Demographic Research Unit, Department of Finance, State of California (invited but unable to attend; submitting written testimony)
